San Diego, CA 92106

Commodore Graff

The officers and members of the Marina Yacht Club of Long Beach cordially extend to you and your members the docking privileges of our members who have slips in the Alamitos Bay Marina or the Long Beach Shoreline Marina when they are participating in our monthly cruises.

The harbors have excellent facilities for fuel, supplies, ice, water and pumpout stations. The Shoreline Marina is within walking distance of the Aquarium of the Pacific, the Long Beach Convention Center, the Metro Blue Line (light rail system) and many fine restaurants in the revitalized downtown area. Alamitos Bay Marina has repair facilities, supplies, and is near several marina-side restaurants and shops at the PCH & 2nd mall .

Please contact our Vice Commodore, Richard Maure, at (714) 599-3715 for reservations.

Our cruising schedule is as follows:

April 8 to 10

June 10 to 12

August 19 to 21

May 27 to 30

July 14 to 26

August 19 to 21

We may be able to arrange space at other times, depending on our members' personal cruising plans, so please call us to make arrangements.

The Marina Yacht Club of Long Beach is a family cruising yacht club which began 64 years ago and is still dedicated to fellowship and good boating, with membership limited to fifty members. In compliance with our bylaws, we do not have a facility. Our fleet is comprised of both power and sail boats, ranging from 25 to 60 feet in length. Our club is very active, with 60 to 70 percent participation in our events.

Sincerely,

A handwritten signature in black ink that reads "Richard Maure".
