

CRA Reciprocal Yacht Clubs

As a CRA member you have certain privileges at the clubs listed below. Typically clubs only offer reciprocity to the level matching what your home club offers. Since CRA does not have a club house or any other amenities, only a few clubs recognize and accept our members as reciprocal. Also, prior to visiting any club as a Yacht Club member, it is proper protocol to call that club first to get the "skinny" before you arrive on their doorstep.

CRA is unique. We are a racing club and the majority of our members belong to other area yacht clubs. So typically, the members just show their yacht club's card to gain access to other clubs. The following is a list of clubs that do formally recognize CRA as reciprocal:
